National Qualifications Framework (nqf) 5 European Qualifications Framework (eqf) 5 ISCED 4	
<b>Access to the next level of education/training</b> The qualification confers eligibility for higher education studies.	<b>International agreements</b> -
<b>Legal basis</b> Vocational Education and Training Act 531/2017 and the decrees that complement it.	

<b>Officially recognised ways of obtaining the certificate</b>
The vocational skills required for completing the modules are demonstrated by performing practical tasks in authentic situations and work processes (demonstration of knowledge and skills). The student's knowledge and skills are assessed diversely by a teacher and a working life representative and compared to the competence defined in the qualification requirements. The education provider awards the student a qualification certificate once the qualification has been completed acceptably in accordance to the qualification requirements laid down by the Finnish National Agency for Education.
<b>Entry requirements</b> No formal qualifications are required to take the competence test.
<b>Additional information</b> Finnish National Agency for Education  P.O. Box 380, FI-00531 Helsinki, Finland  www.oph.fi
